

**CURRICULUM VITAE**  
**Richard L. Vogt, M.D., F.A.C.E.**  
**(Last revised 5/04/2020)**

**PRESENT ADDRESS:** 7836 South Hill Circle  
 Littleton, CO 80120

**TELEPHONE NUMBER:** 303-703-3709 (h)

**E-MAIL ADDRESS:** <rickvogt@yahoo.com>

**EDUCATION:** Colorado College, Colorado Springs, Colorado:  
 B.A. degree, magna cum laude

University of Colorado Medical School, Denver,  
 Colorado: M.D. degree

Mercy Medical Center, Denver, Colorado:  
 Family Practice Residency

**PROFESSIONAL POSITIONS:**

- |                         |  |
|-------------------------|--|
| 2013 . . Present        | Physician and Epidemiology Consultant for the Centers for Disease Control and Prevention (CDC), the CDC Foundation (CDCF), United States Agency for International Development (USAID) and the Council of State and Territorial Epidemiologists (CSTE). Became Team CDCF Coordinator for Covid-19 Task Force for Region VIII. Conducted both national and international assignments as a short-term consultant (STC) for these national organizations.  |
| 2000 . . Present        | Clinical Professor, Colorado School of Public Health (CSPH), University of Colorado, Denver (2000 – present). Guest lectures on infectious and non-infectious public health topics. Member of the Preventive Residents Advisory Committee (2000 - 2013) and Doctor of Public Health Advisory Committee (2000 - 2013). Participated in the faculty advisory committee for a thesis prepared by an MSPH candidate (2001). Acted as a preceptor for Preventive Medicine Residency candidates (2002, 2008 - 2009). |
| 2001 . . 2013 (retired) | Executive Director of the Tri-County Health Department (TCHD) in Colorado. Supervised all aspects of the largest local public health department in Colorado that provides disease control including sexually-transmitted disease (STD) control, public health nursing, dental, nutrition, environmental health, planning, and administrative support services. The department had  |

375 employees and an annual budget of \$30,000,000. Created the department's first ever STD program.

- 2000 . . 2001  
 Consultant to the Denver Public Health Department. Medical and epidemiologic consultant to the Centers for Disease Control funded Denver Center for Advanced Public Health Preparedness. Consulted on the development of educational topics on bioterrorism. Consulted on the Denver Center "Syndromic Surveillance" system for patients contracting asthma which may have multiple causes including agents used in bioterrorism.
- 1997 . . 2000  
 Medical Officer. Centers for Disease Control and Prevention seconded to the World Health Organization (W.H.O.). Assigned as W.H.O. Advisor to the Expanded Program on Immunization of the Egyptian Ministry of Health (1998 - 2000). Consultant to Egypt for the World Health Organization (1997). Evaluated and improved disease surveillance for international polio eradication efforts and other vaccine preventable diseases. Planned, designed, implemented and monitored the Adverse Events Following Immunization surveillance system for Egypt. Conducted reviews of special vaccination campaigns and routine vaccination coverage data with suggestions for improvement. Endemic poliomyelitis was officially declared eradicated in Egypt after my departure.
- 1993 . . 2000  
 Clinical Professor. School of Public Health (1993 - 2000) and Department of Family Practice and Community Medicine (1996 - 2000), University of Hawaii. Lectured on epidemiology and infectious disease topics. Taught principles of preventive medicine and public health. Supervised Preventive Medicine Residents and public health students assigned to the Hawaii Department of Health. Past member of the Preventive Medicine Residency Advisory Committee.
- 1992 . . 1997  
 Chief of the Communicable Disease Division. State Epidemiologist. State of Hawaii, Honolulu, Hawaii. Directed the Hansen's disease, tuberculosis, immunizations, STD/AIDS and infectious disease epidemiology sections of the Health Department (1992 - 1997). Supervised chronic disease epidemiology program (1996 - 1997). Acted as a consultant for non-infectious disease epidemiology within the Department. Chairperson of the Human Research Assistance and Evaluation Committee. Executive Editor of the state health department publication of the *Communicable Disease Report*. Supervised CDC Epidemiology Intelligence Service Officers and Preventive Medicine Residents. Responsibilities included supervision of over 200 employees and an annual division budget of \$23,000,000.
- 1991 . . 1992  
 Consultant. Council of State and Territorial Epidemiologists (CSTE). Was awarded a competitive, cooperative agreement with the Centers for Disease Control to evaluate national Lyme disease surveillance. As consultant, was

appointed Acting Executive Director for the new CSTE-CDC cooperative agreement. My primary tasks were to initiate this agreement which included developing a financial plan, initiating several epidemiology projects, identifying office space in Atlanta, Georgia, and hiring an Executive Director.

- 1982 . . 1992      Clinical Assistant Professor (1982 - 1984). Clinical Associate Professor (1984 - 1992). Clinical Professor (1992). Department of Medicine, College of Medicine, University of Vermont, Burlington, Vermont. Course Director for the required Epidemiology course taught to junior medical students (1984 - 1992). Designed curricula and lectured on epidemiology and public health topics.
- 1979 . . 1992      Clinical Assistant Professor (1979 - 1984). Clinical Associate Professor (1984 - 1992). Clinical Professor (1992). Department of Family Practice, College of Medicine, University of Vermont, Burlington, Vermont. Acted as attending physician in the Department of Family Practice (1979 - 1986).
- 1979 . . 1991      State Epidemiologist. Vermont Department of Health; Director of Epidemiology (1979 - 1991), STD (1979-1991), TB (1979 - 1991), Immunization (1987 - 1991), Health Promotion (1987-1991) and Chronic Disease Prevention (1988-1991) sections. Conducted surveillance for illnesses in Vermont and conducted studies to determine causes. Consultant for physicians, nurses and other health care providers. Editor of the *Vermont Disease Control Bulletin*.
- 1977 . . 1979      Epidemic Intelligence Service Officer, assigned as Acting State Epidemiologist in Vermont. Centers for Disease Control, Atlanta, Georgia, (H.E.W., Public Health Service)

**HONORS:**

**Perkins Prize**, Colorado College, 1967, 1968  
**Phi Beta Kappa**, Colorado College, 1969  
**Donald C. Mackel Award** (co-author), Centers for Disease Control, 1988  
**Iron Man Award**, Council of State and Territorial Epidemiologists, 1990  
**TCHD Leadership Award**, Awarded by Executive Staff of TCHD, 2006  
**Pump Handle Award** for Outstanding Achievement in Applied Epidemiology, Council of State and Territorial Epidemiologists, 2008  
**Alexander Langmuir Award** (co-author), Centers for Disease Control and Prevention, 2012  
**Colorado Public Health Association**, Lifetime Achievement Award, 2017

**CERTIFICATION:**

Fellow, American College of Epidemiology (1980 - present)

Physician's Recognition Award, American Medical Association, 1978, 1981, 1984, 1987, 1990, 1993, 1996, 1999, 2002, 2005, 2008, 2011, 2014, 2017, 2020

Retired Diplomat, American Board of Family Practice

**LICENSURE:** Colorado, Hawaii

**NATIONAL MEMBERSHIPS:**

1. Founding Board member for the national Board of the Foundation for the Public's Health established by the National Association of County and City Health Officials (NACCHO), 2014 – present.
2. Founding Board member for the Council of State and Territorial Epidemiologists Foundation 2017 - present.
3. Alumnus member of National Association of County and City Health Officials (NACCHO), 2013 – present. Member of NACCHO, 2001 – 2013. Member of the NACCHO National Annual Conference Workgroup. 2012 – 2014. Member of the NACCHO Epidemiology Workgroup, 2010 – 2014 (term-limited). Elected to the Board of Directors, 2008 – 2013. Elected to the NACCHO Executive Committee, 2011 - 2013. Member of NACCHO Infectious Disease Workgroup, 2006 – 2010 (term-limited), 2014 – present. Member of the NACCHO HIV and Infectious Diseases Advisory Committee, 2003 – 2006 (term-limited).
4. Member of CSTE 1979-1997; 2007-present.
  - Surveillance Consultant, 1986 - 1991, 2013 - present
  - Member of Executive Board, 1982 - 1990
  - Chairman of the National CSTE Program Committee, 1983, 1986
  - President, 1985 - 1987
  - Immediate Past President, 1987-1988, 1989 - 1990
  - Chairman of Surveillance Committee, 1987 - 1991
  - Tuberculosis Co-consultant, 1995 - 1997
5. Member of the State, Local, Tribal and Territorial (SLTT) Working Group that is acts in an advisory capacity to the Biosurveillance Coordination Group of the Centers for Disease Control and Prevention, 2008 - 2009.
6. Member of the Subcommittee on Chronic Disease Surveillance which planned for national surveillance for chronic diseases including cancer and cardiovascular diseases, at the Centers for Disease Control, Atlanta, Georgia, 1986 - 1987. (Committee dissolved).
7. Member of the Surveillance Coordinating Group which plans for national disease surveillance at the Centers for Disease Control, Atlanta, Georgia, 1986 - 1991. Committee met monthly in Atlanta.

8. Member of two national committees reviewing AIDS policies for Health Care Workers and perinatal transmission sponsored by the Centers for Disease Control, 1985. Testified before the Presidential Commission on Human Immunodeficiency Virus Infections, December, 1987.
9. Member of the committee for the national program on "Environmental Epidemiology" jointly sponsored by the Centers for Disease Control and Environmental Protection Agency, 1983 -1985.

**INSTITUTIONAL AND STATE MEMBERSHIPS:**

1. Member of the Colorado Public Health Association, 2001 - 2018.
2. Member of the Vaccine Advisory Committee of Colorado, 2007 - 2013.
3. Member of the Colorado Cancer, Cardiovascular Disease and Chronic Pulmonary Disease Program Review Committee, 2007- 2010.
4. Member of the Colorado Emergency Preparedness Advisory Committee, 2006 - 2008.
5. Member of the Public Health Directors of Colorado, 2001 - 2008. Elected Vice-President, 2003 - 2004, President, 2005-2006, Immediate Past President, 2006 - 2007. Member of the Colorado Association of Local Public Health Officials, 2008 - 2013.
6. Member of the Governor's Expert Emergency Epidemic Response Committee, Colorado, 2001 - 2013.
7. Member of the Emerging Infections Coordinating Committee in Egypt, 1998 - 2000.
8. Chairperson of the "Human Research Evaluation and Advisory Committee" of the Hawaii Department of Health, 1992 - 1997.
9. Member of the Hawaii Society for the History of Medicine and Public Health, 1994 - 1997.
10. Member of the Scientific Advisory Committee for the Leahi Trust, Honolulu, Hawaii, 1992 - 1997.
11. Member of the Preventive Medicine Residency Committee, School of Public Health, University of Hawaii, 1992 - 1997.
12. Member of Vermont Health Department Committee on the Protection of Patients and Clients, 1980 - 1987.
13. Member of Vermont Advisory Committee on Immunization Practices, 1979 - 1992.

**CONSULTANCIES:**

1. Assisted with the development of a CSTE toolkit for Waterborne Outbreak Investigations, 2019.
2. Consulted with CSTE on CSTE Fellowship Applied Epidemiology Fellowship applications. (2018, 2019, 2020).
3. USAID Consultant to plan for a new public health Center for Kiev City, Ukraine, 2017.
4. CDC and CSTE national consultancies acting as a mentor for the Morbidity and Mortality Weekly Report (MMWR) Intensive writing course and the review of Infectious Disease Case Definitions for the National Notifiable Disease Surveillance System (NNDSS), 2017 and assisted with the selection of CSTE Applied Epidemiology Fellows, 2018.
5. CDC and CSTE Scientific Consultant for Influenza Surveillance in Kyrgyzstan and the Republic of Georgia, 2014. Taught residents in the Field Epidemiology Training Program (FETP) during a short-term consultancy (STC) in Saudi Arabia, 2015.
6. CDC Scientific Consultant on the Novel H1N1 virus, 2009 – 2010.
7. World Health Organization consultant to Egypt for polio eradication, July-November, 1997. Evaluated current activities and made recommendations on improving surveillance for acute flaccid paralysis and better assessing vaccination coverage.
8. CDC Scientific Consultant for Epidemiology Program Office, 1991 - 1992.
9. Scientific Consultant for the Agency of Toxic Substances and Disease Registry for two scientific studies: a) elemental mercury exposure in a community in Tennessee, b) methylmercury exposure in Chippewa Indians in Minnesota, 1988 - 1994.
10. Consultant for the CDC on the Evaluation of the National Disease Reporting System of Saudi Arabia, 1985, 1986. Conducted epidemiology training in the Kingdom's field epidemiology training program for short-term assignments, 1990, 1992.
11. Consultant to the National Institute of Health to Study HIV neonatal seroprevalence, 1987 - 1991.

**MISCELLANEOUS:**

Summer courses at the New England Epidemiology Institute: 1) Advanced Epidemiology; 2) Regression and Categorical Data Analysis; 3) Case-Control Studies. Tufts University, 1988

**OCCASIONAL REVIEWER:**

- American Journal of Epidemiology
- American Journal of Public Health
- Canadian Medical Association Journal
- Epidemiology and Infection
- Journal of Infectious Diseases
- Journal of Public Health Management and Practice
- New England Journal of Medicine
- Pediatrics
- Public Health Reports

**TEACHING EXPERIENCE:**

1. Conducted grand rounds and lectures for master's candidates, family practitioners, internal medicine and preventive medicine physicians on AIDS (Vermont), campylobacteriosis (Vermont), disease surveillance (Egypt, Hawaii, Vermont), hepatitis A, B and C (Hawaii, Vermont), Legionnaire's disease (Vermont), poliomyelitis (Egypt, Hawaii and Colorado) and sexually transmitted diseases (Vermont), 1977 - present.
2. Planned and conducted the Egyptian National Workshop on Adverse Events Following Immunizations. Lectured to 100 Egyptian Ministry of Health staff and conducted small group workshops, 1998.
3. Directly supervised Centers for Disease Control and Prevention (CDC) Epidemiologic Intelligence Service Officers, CDC; Hawaii School of Public Health (HSPH) and University of Colorado at Denver Health Sciences Center Preventive Medicine Residents; and HSPH students in a practicum in epidemiology and preventive medicine in the Hawaii Department of Health and Tri-County Health Department, 1992 - 2013.
4. Conducted a seminar entitled "Outbreak Investigations" which discussed the techniques for investigating outbreaks of infectious and non-infectious diseases for students, 1994.
5. Directly supervised individual CDC Epidemiologic Intelligence Service Officers, family practice, medical and surgical residents in a practicum at the Vermont Department of Health, 1979 - 1992.
6. Developed and directed the required course on "Epidemiology" for third year medical students at the University of Vermont, College of Medicine. Conducted lectures and led small group discussions on topics of preventive medicine and critical appraisal of the literature, 1984 - 1992.

### SELECTED COMPETITIVE RESEARCH GRANTS AND CONTRACTS:

1. Co-author and agency lead for the competitive grant “Communities Putting Prevention to Work.” Funded by the Centers for Disease Control and Prevention, American Recovery and Reinvestment Act - \$5,250,000 annually, 2010 - 2012.
2. Co-author and principal investigator for a cooperative agreement on “Healthy People 2010 – Injury Prevention”, 2002 – 2005. Funded by the Colorado Trust - \$1,500,000 (10% effort, in kind).
3. Co-author of the competitive cooperative agreement “Facilitating Reporting of Notifiable Diseases through Laboratory Databases.” 1997. Funded by the Centers for Disease Control and Prevention, PHS - \$30,000 (5% effort, in kind).
4. Author and Project Director of the cooperative agreement “Evaluation of National Lyme Disease Surveillance”, 1991 - 1992. Funded by the Centers for Disease Control, PHS, - \$74,000.
5. Author and Project Director of the competitive contract "Active Disease Surveillance for Waterborne Disease in Eight Counties in Vermont", 1980 - 1982. Funded by the Environmental Protection Agency - \$127,000. (10% effort).
6. Author and Project Director of the competitive contract "Evaluation of an Active Surveillance System", 1980-1981. Funded by the Centers for Disease Control, PHS, - \$103,000. (10% effort).
7. As State Epidemiologist for Vermont and Hawaii, author, co-author and project director of annual CDC project grants for immunizations, tuberculosis, and sexually-transmitted diseases.
