

Instructions for completing the Independent Study Request Form

Colorado SPH Independent Study courses require instructor permission prior to student registration. The course of study and expectations should be arranged in advance between the student and a faculty advisor. Depending upon the topic, the amount of class time and the deliverables, these courses may have varying credits. In order to insure that students are registering for the correct course and proper amount of credits, we require that students complete this form in advance of registration.

Please note that only degree-seeking students are eligible for independent study credit. Additionally, no more than 3 credits of independent study are allowed to count towards the MPH program, unless approval is given PRIOR to registration for additional courses.

Instructions:

1. Obtain and complete the *Independent Study Request Form*.
2. Obtain the signatures from the instructor/faculty advisor and the concentration director.
3. Submit signed form to the Office of Academic Affairs for processing.
4. The Office of Academic Affairs will email the student the permission code in order to register for the course.
5. The student is then responsible for signing up for the class prior to the posted add/drop deadline (see Academic Calendar at <http://www.ucdenver.edu/academics/colleges/PublicHealth/Academics/academics/Pages/index.aspx> for published deadlines).
6. The original form will be placed in the student's file.
7. Students requesting a publishable paper should not use this form. Instead, they should use the *Publishable Paper Request Form*.

Note:

It is the student's responsibility to make the request for an independent study prior to the start of the semester. As several signatures are required in order for the form to be processed, it is highly recommended that this process be started early in the registration period.

Please return form to:
Office of Academic Affairs
Email: CSPH.AcademicAffairs@cuanschutz.edu

INDEPENDENT STUDY REQUEST FORM

*To be completed by students when requesting
BIOS/CBHS/EHOH/EPID/HSMP/PMHW/PUBH 6840: Independent Study*
