

Jesse Dylan Schold

Office Address:

1635 Aurora Court, Floor 7, Room 7085, C-318
University of Colorado Anschutz Medical Campus
Aurora, CO 80045
e-mail: jesse.schold@cuanschutz.edu

Home Address:

3860 Fairbrook Point
Highlands Ranch, CO 80130
Cell phone: 216.217.0652
Citizenship: United States

EDUCATION

Ph.D., Health Services Research (2007)
Department of Health Services Research, Management and Policy
College of Public Health and Health Professions
University of Florida, Gainesville, Florida

M.Stat., Statistics (2000)
Department of Statistics
College of Physical and Mathematical Sciences
North Carolina State University, Raleigh, North Carolina

M.Ed., Mathematics Education (2000)
Department of Mathematics, Science and Technology Education
College of Education
North Carolina State University, Raleigh, North Carolina

B.A., Psychology (1993)
Department of Psychology
Emory University, Atlanta, Georgia

PROFESSIONAL EXPERIENCE

Visiting Professor of Surgery and Epidemiology (2022-)
University of Colorado Anschutz Medical Center
University of Colorado, Aurora Colorado

Director, Center for Outcomes Research and Policy (2022-)
Department of Surgery
University of Colorado Anschutz Medical Center
University of Colorado, Aurora Colorado

Director, Transplant Epidemiology (2022-)
Colorado Center for Transplantation Care, Research and Education
University of Colorado Anschutz Medical Campus, Aurora, Colorado

Vice Chair of Policy and Outcomes (2022-)
Department of Surgery
University of Colorado Anschutz Medical Center
University of Colorado, Aurora Colorado

Director, Center for Populations Health Research (2017-22)
Lerner Research Institute

Cleveland Clinic, Cleveland, Ohio

Full Staff (2015-22)
Department of Quantitative Health Sciences
Cleveland Clinic, Cleveland, Ohio

Associate Staff (2011-2015)
Department of Quantitative Health Sciences
Cleveland Clinic, Cleveland, Ohio

Faculty Member: Center for Reducing Health Disparities (2011-22)
MetroHealth Medical Center
Case Western Reserve University
Cleveland, Ohio

Faculty Member (2010-22)
Department of Medicine
Cleveland Clinic Lerner College of Medicine
Case Western Reserve University, Cleveland, Ohio

Assistant Staff (2009-2011)
Department of Quantitative Health Sciences
Cleveland Clinic, Cleveland, Ohio

Director of Outcomes Research and Medical Informatics (2009-)
Kidney and Kidney/Pancreas Transplant Programs
Cleveland Clinic, Cleveland, Ohio

Assistant Professor (2008-09)
Department of Medicine
University of Florida, Gainesville, Florida

Affiliate Assistant Professor (2008-09)
Department of Health Services Research, Management and Policy
Department of Epidemiology and Health Policy Research
University of Florida, Gainesville, Florida

Associate Instructor (2006-2008)
Department of Medicine
University of Florida, Gainesville, Florida

Assistant Instructor (2005-2006)
Department of Medicine
University of Florida, Gainesville, Florida

AWARDS AND HONORS

- Best Abstract Award from UNOS Transplant Management Forum, Memphis, Tennessee (2005) \$1000 award
- 2005 Young Investigator Award from American Transplant Congress, Seattle, Washington (2005) \$1000 award
- Best Abstract Award from UNOS Transplant Management Forum, San Francisco, California (2006) \$1000 award
- Superior Pass - Written Preliminary Exam in Health Services Research Ph.D. Program (2006)
- 2017 Lerner Research Institute Award for Excellence in Science

- 2018 Outstanding Alumni of the Year Award from College of Public Health, University of Florida
- 2018 American Journal of Kidney Diseases Editor's Choice Award (selected among >1000 original investigations)
- 2019 American Society of Transplantation Clinical Research Established Investigator Award

SELECTED MEDIA CITATIONS

- Nature Reviews Nephrology: Research Highlights "Choice of Transplant Listing Center affects Outcome" (2009).
- American Society of Nephrology Press Release "Nearly Half of Older Patients Projected to Die While Waiting for Kidney Transplant" (2009).
- Press Release "Sizzling Issues in Clinical Renal Transplantation" *Clinical Journal of the American Society of Nephrology*. (2010).
- New York Times "Researchers Wring Hands as U.S. Clamps Down on Death Record Access" (10/9/2012)
- Press Release "Study Examines Health of Kidney Donors" American Society of Nephrology (9/26/2013)
- PBS News Hour "Hospitals are Throwing out Organ and Denying Transplants to Meet Federal Standards" (8/13/2016)
- CNBC news "Crisis in America: Medical experts use new tech tools to combat the organ transplant shortage" (6/21/2017)
- ProPublica "Trump Administration Proposes Weakening Rules Governing Organ Transplant Centers" (9/21/2018)
- US News and World Report "What are Wait Time for Donor Kidneys Not Improving?" (2/12/2021)
- US News and World Report "COVID-19 Caused US Life Expectancy to Drop by 1 Full Year" (2/18/2021)
- US News and World Report "Many High Priority Patients Aren't Getting Put on Kidney Transplant Lists" (6/18/2021)

COMMITTEES AND SERVICE

- The Transplantation Society New Key Opinion Leader Committee Member (2007)
- American Society of Transplantation LYFT Task Force Member (2008-09)
- Health Services Research Faculty Search Committee Member (2008-09)
- American Transplant Congress Abstract Rel have viewer (2008-2010)
- Graduate Faculty: Department of Health Services Research, Management and Policy (2008-09)
- Consulting Editor: American Journal of Transplantation (2009-2010)
- HRSA Scientific-Technical Advisory Subcommittee Member (2009)
- Guest Editor – The American Society of Nephrology Kidney News (2009)
- American Society of Transplantation Communications Committee Member (2009-2010)
- Genzyme Transplant Advisory Board Member (2009-2010)
- Associate Editor: American Journal of Transplantation (2010-17)
- Content Expert: Cleveland Clinic Lerner Medical School Journal Club (2010)
- Mentoring committee for Faculty Member at MetroHealth Medical Center (2010-16)
- Cleveland Clinic Outcomes Book Editorial Committee (2010-13)
- Scientific Technical Advisory Committee (STAC) for Organ Transplantation (2011-2012)
- Abstract Session Moderator: American Transplant Congress Annual Meeting (2011)
- OPTN Deceased Donor Potential Study Stakeholder Committee (2011-12)
- Abstract Reviewer: Cleveland Clinic Clinical Research Day (2011-2017)
- American Transplant Congress Co-Chair: Clinical Kidney Complications: Late Graft Failure (2012)
- American Transplant Congress Co-Chair: Clinical: Economics, Public Policy, Allocation, Ethics (2012)
- Moderator, American Transplant Congress Scientific Abstract Session (2012)
- American Society of Transplantation Kidney Pancreas Advisory Council (2012-2014)
- American Transplant Congress Co-Chair: Clinical: Economics, Public Policy, Allocation, Ethics (2013)
- Early Career Reviewer, Center for Scientific Review, National Institutes of Health (2012-14)
- Data Safety Monitoring Board, Bristol-Myers Squib. Multi-Center Clinical Trial DSMB Member (2013-)
- American Society of Transplantation Value Taskforce (2014)

- United Network for Organ Sharing Work Group – New Metrics for Evaluation of Transplant Centers (2014)
- Workgroup Co-Leader: Consensus Conference on Best Practices in Live Kidney Donation (2014)
- American Society of Transplantation Education Committee Member (2014-17)
- OPTN/UNOS Data Advisory Committee (2014-18)
- National Institutes of Health Study Section Ad Hoc Scientific Review Group: NIH/HDEP (2014-)
- American Society of Transplantation Kidney Pancreas Community of Practice (2014-)
- Elected Member of Board of Directors of the American Society of Transplantation (2015-17)
- Appointed Member: OPTN/UNOS Task Force to Reduce Disincentives to Transplantation (2016)
- Advisory Council for the UNOS Collaborative Improvement and Innovation Network (2016-18)
- Workgroup Co-Chair: National Kidney Foundation Workshop on Organ Discard (2016-17)
- Medical Advisory Board, American Transplant Foundation (2017-)
- AST/AST Joint Metrics Taskforce (2017-2020)
- American Society of Transplantation Winter Meeting Planning Committee (2017-20)
- Data Safety Monitoring Board, CSL-Behring Clinical Trial DSMB Member (2017-)
- American Society of Nephrology Policy and Advocacy Committee (2017-)
- Data Safety Monitoring Board, Lumicell (2017-)
- Data Safety Monitoring Board, Medeor Therapeutics (2017-)
- American Transplant Congress Planning Committee (2018-19)
- Statistical Editor: Journal of the American Society of Nephrology (2017-)
- Scientific Officer, Canadian Institutes of Health Research Grant Review (2018)
- American Society of Transplantation Governance Committee (2018-19)
- NIH Study Section Health Services Research: Minority Health and Disparities Special Emphasis Panel (2018)
- NIH Study Section Panel: Surgical Disparities Research Special Emphasis Panel (2018)
- UNOS Systems Improvement Committee (2018-19)
- National Quality Forum Disparities Standing Committee Member (2020-21)
- CMS Technical Expert Panel: Change Packages in Organ Donation and Transplantation (2020)
- Executive Planning Committee American Transplant Congress (2020-22)
- CMS Technical Expert Panel: Practitioner Level Measurement of Effective Access to Transplantation (2021)
- Chair, American Transplant Congress (2021-22)
- American Transplant Society Public Policy Committee (2021-24)
- American Heart Association Grant Study Section Reviewer (2021)
- National Faculty End Stage Renal Disease Treatment Choices Learning Collaborative (2021-)
- LifeBanc Board of Directors (2022-)
- National Kidney Foundation Xenotransplantation Workshop Committee Leader (2022)
- NIH Study Xenotransplantation Advisory Committee (2022-25)
- Vice-Chair UNOS Data Access Committee (2022-23)
- UNOS Policy Oversight Committee (2022-23)

EXTERNALLY FUNDED RESEARCH

Roche Pharmaceuticals Protocol Number CEL330 Pilot trial for implementation of a MPA PK monitoring strategy The major goal of this study was to evaluate the association of blinded trough monitoring on MPA AUC levels	2003	PI: Meier-Kriesche
Roche Pharmaceuticals Protocol Number CEL470 Pilot trial for implementation of a MPA PK monitoring strategy in patients on MMF/FK based immunosuppression with steroid free maintenance The major goal of this study is to evaluate the association of blinded trough monitoring on MPA AUC levels in a specific immunosuppressive regimen	2005	PI: Meier-Kriesche
Novartis Pharmaceuticals A novel strategy for reduction of antibody reactivity in ESRD patients awaiting renal transplant The major goal of this project was to evaluate the efficacy of pharmaceutical intervention for de-sensitizing waitlisted renal transplant candidates	2007	PI: Meier-Kriesche
Novartis Pharmaceuticals Protocol Number CCHI621AUS11T Association of Induction Agents and BK Viremia in Renal Transplant Recipients	2007-2008	PI: Meier-Kriesche

Major goals of this project are to study of the role of induction agents in the progression of BK viremia and nephropathy among renal transplant recipients.

PhRMA Foundation 2010-2011 PI: Schold
The Impact of Variable Administration of Immunosuppressive Protocols by Kidney and Liver Transplant Centers on Recipient Outcomes
Major goals of this project are to evaluate the impact of center immunosuppressive protocols on outcomes for kidney and liver transplant recipients.

Centers for Disease Control and Prevention (CDC) 2010-2013 PI: Procop
Quality Metrics Evaluation in Lab Performance
The primary aim of this proposal is to evaluate quality performance metrics for laboratory parameters using institutional electronic medical record systems.

National Institutes of Health / NIDDK 2011-2014 PI: Rodrigue
R01 DK085185-01A1
Kidney Donor Outcomes Cohort (KDOC) Study
Major goals of this project are to evaluate outcomes for a prospective cohort of living donors compared to a control cohort of eligible individuals who did not donate.

Roche Organ Transplant Research Foundation (ROTRF) 2011-2013 PI: Baldwin
Decreased Adiponectin Levels promote Cardiac Allograft Vasculopathy
Major goals of this project are to evaluate the role of adiponectin for inducing weight gain and cardiac events in populations of newly transplanted and cross-sectional cohorts of heart transplant recipients.

Health Services and Resource Administration (HRSA) 2011-2014 PI: Thornton
1R39OT22056
Organ Donation in Primary Care Settings
Major goals of this project are to conduct a randomized trial to evaluate the efficacy of interventions to increase organ donation in primary care settings.

National Institutes of Health / NIDDK 2011-2014 PI: Nally
DK094112
R34: Navigating the Challenges of Chronic Kidney Disease
Major goals of this project are to conduct a randomized trial to evaluate the efficacy of interventions to improve processes of care among patients with stages III-V CKD.

Genzyme Corporation 2012-2013 PI: Schold
Efficacy of Thymoglobulin for Induction among Kidney Re-Transplant Recipients
Major goals of this project are to evaluate the impact of induction agents for re-transplant kidney recipients in the United States

National Institutes of Health/ NIMH 2012-2016 PI: Sehgal
P60MD00265
Dissemination of Evidence-Based Health Disparity Interventions
Major goals of this project are to develop mechanisms to translate established interventions to ameliorate disparities in care to practice

Centers for Disease Control and Prevention (CDC) 2013-2015 PI: Phelan
1U47OE000053-01
Evidence Based Lab Medicine: Lab Medicine Best Practices Systematic Review
Major goal is to assess factors and develop interventions to reduce hemolysis rates in the emergency department

Leonard C. Rosenberg Renal Foundation/Research Grant LRRRF1307SN Major goal is to evaluate the effect of cardiovascular interventions in a chronic kidney disease population.	2013-2016	PI: Navaneethan
Health Services and Resource Administration (HRSA) Combining, Expanding, and Evaluating Multiple Evidence-Based Organ Donation Interventions Major goals of this project are to conduct a randomized trial to evaluate the efficacy of interventions to increase registration for organ donation.	2014-2016	PI: Thornton
Mikati Center for Liver Diseases Comprehensive Evaluation of Donor Outcomes following Living Donor Liver Transplantation Major goals of this project are to evaluate surgical and medical outcomes for living liver donors in the United States	2014-2015	PI: Schold
American Heart Association 15CRP23100013 The impact of stroke center certification and state stroke legislation on the quality and outcomes of stroke care Major goals of this project are to evaluate systems of care and policies associated with outcomes for stroke patients in the United States	2015-2016	PI: Man
National Institutes of Health / NIHLBI 1R56HL125420 Improving Heart Transplant Allocation to Reduce High Waitlist Mortality in Women Major goals of the project are to evaluate factors associated with deceased donor heart allocation that impact women and develop alternative models using national transplant registry data	2015-2016	PI: Hsich
Laura and John Arnold Foundation A Comprehensive Evaluation of Center Performance to Improve Quality Oversight in Organ Transplantation Major Goals of this project are to construct novel report cards for transplant center performance using national registry data.	2016-2017	PI: Schold
Health Services and Resource Administration (HRSA) R39OT29876 Kidney Paired Donation: A Randomized Trial to Increase Knowledge and Informed Decision-Making Major goals of this project are to evaluate the impact of an educator guide intervention to increase kidney paired donation for transplantation	2016-2019	PI: Rodrigue
National Institutes of Health / NIDDK 1 UG3 DK 114908-01 <i>Cleveland Precision Medicine Chronic Kidney Disease Cohort</i> The initial research goal in the UH3 is to identify the molecular mechanisms underlying the association between HTN-CKD and HR-APOL1.	2017-2019	PI: Poggio
National Institutes of Health / NIDDK UO1 DK116097-01 <i>APOL-1 study in Transplant</i> The initial research goal is to characterize the incidence and outcomes associated with APOL-1 high risk gene variants in kidney transplantation	2017-2022	PI: Poggio
PCORI AD-1609-36589 Comparing the Effectiveness of House Calls and Peer Mentorship to Reduce Racial Disparities in Live Donor Kidney Transplantation	2018-2022	PI: Rodrigue

The goal is to reduce the burden of end-stage organ disease on individuals, families, healthcare systems, and society by increasing the availability of donor organs for transplantation.

NIH/NHLBI
K23HL138191-01A1

2018–2023

PI: Tsuang

Improving Access to Lung Transplantation through Broader Geographic Sharing

The long-term goal is to systematically address disparities in organ allocation; an example of which is the geographic disparity in access to lung transplant. The objective is to gain skills that will build on the well-established skillset of the mentors and collaborators which can only be earned through further education during this early career phase.

National Science Foundation
DEB-2032726

2020-2021

PI: Schold

Epidemiology of COVID-19 based on Surveillance of Deceased Donors in the United States

The goal of this project is to evaluate the incidence, progression and characteristics of COVID-19 among deceased donors in the United States. In addition, results will be used to estimate the epidemiology of the virus in the general population.

BGT600242

2020-2021

PI: Dasarathy

CWRU/COVID 19 Pilot Grant program

Impact of COVID-19 on alcohol related liver disease

The goal is to develop rapidly translatable interventions to improve clinical outcomes in patients with COVID-19 and Alcoholic Liver Disease.

Role: Co-Investigator

NIH/NIAAA

2020-2021

PI: Dasarathy

3U01AA026976-03S1

Alcoholic Hepatitis Clinical and Translational Network

The aims are to evaluate the prevalence, clinical course and outcomes for patients with alcohol assisted liver disease and COVID-19 virus.

NIH/NIDDK

2021-2023

PI: Green

R21DK128773

Using behavioral economics to reduce the discard rate of viable kidneys: Validating new methods to identify factors that influence the acceptance of deceased-donor kidneys

The aims are to evaluate the effect on an intervention to improve presentation and decision-making among clinicians that accept donor organ offers for transplantation.

OneLegacy Foundation

2022-23

PI: Schold

CMS 2021 OPO Metric Validation Study to Determine Opportunities for Donation Improvement by OPO/DSA

The aims of this study are to evaluate factors associated with metrics used to assess OPO performance and identify novel sources of best practices for organ donation.

Cleveland Clinic Caregiver Catalyst Award

2022

Co-PIs: Schold/Huml

Acceleration of Referral for Kidney Transplant through an Automated Process

The aims of this grant are to develop and implement an intervention for an automated transplant referral process for patients with chronic kidney disease from ongoing clinic settings. Goals are to evaluate the impact in increasing appropriate transplant referrals and attenuate disparities in referral rates.

Kidney Transplant Collaborative (KTC)

2022-23

PI: Mohan

Using Shared Decision Making to Improve Kidney Transplantation Rates

The aims of this study are to develop interventions to enhance transparency of organ offer and transplant information to improve transplant decision making.

Pilot Award for the Clinical Translational Science Collaborative (CTSC) 2022-23 PI: Tsuang
A Place-based Approach to Geographic Disparities in Lung Transplant
The aims of the project are to evaluate geographic factors associated with outcomes and processes of care among lung transplant patients in the northeast Ohio region.

32. "Dramatic Shifts in the Prognosis, Outcomes and Baseline Risk among Wait Listed Kidney Transplant Candidates in the United States" *2017 American Transplant Congress*, Chicago, Illinois (5/2017).
33. "Utility of Weighted Composite Endpoints in Kidney Transplantation" *2017 American Transplant Congress*, Chicago, Illinois (5/2017).
34. "Significant Alternation in Transplant Center Performance Assessment with Extended Patient Follow Up", *2018 American Transplant Congress* (6/2018).
35. "As Clear as Mud: Volatility of the Five-Tier Quality Assessment of Kidney Transplant Centers in the United States", *2018 American Transplant Congress* (6/2018).
36. "Keeping Patients Lifetime Perspective in Focus: Modest Rates and Wide Variation in Preemptive Re-Listing for Kidney Transplantation in the United States", *2019 American Transplant Congress* (6/2019).
37. "Significant Improvement in Short and Long-Term Kidney Transplant Survival Despite Stagnant Rates of Delayed Graft Function", *2020 Virtual American Transplant Congress* (5/2020).
38. "Profound Opportunities Lost: Patients with High Priority for Transplantation who are not Placed on the Kidney Transplant Waiting List.", *2021 Virtual American Transplant Congress* (6/2021).

39. "Donor Kidneys from Communities with Higher Deprivation Are Significantly More Likely To Be Discarded", 2022 American Transplant Congress, Boston, Massachusetts (6/2022).

INVITED NATIONAL/INTERNATIONAL PRESENTATIONS

1. "Endpoints in Organ Transplantation" *The Transplantation Society Key Opinion Leader and World Health Organization Meeting 2007*. Geneva, Switzerland (6/2007).
2. "The Overlapping Risk Profile between Dialysis Patients Listed and Not Listed for Renal Transplantation" *Nephrology Conference – Department of Medicine, University of Alabama at Birmingham*. Birmingham, AL (10/2007).
3. "The Overlapping Risk Profile between Dialysis Patients Listed and Not Listed for Renal Transplantation" *Nephrology Grand Rounds – Cleveland Clinic*. Cleveland, Ohio (10/2007).
4. "The Surreptitious Perils of Report Cards for Healthcare Providers" *Beyond Health Insurance: Public Policy to Improve Health - University of Illinois-Chicago*. Chicago, Illinois (11/2007).
5. "Informed Decision-Making for Candidates of Kidney Transplantation" *Arbor Research Collaborative for Health Scientific Meeting*. Ann Arbor, Michigan (7/2008).
6. "Informed Decision-Making and Access to Care for Candidates of Kidney Transplantation" *University of Wisconsin Department of Surgery Grand Rounds*. Madison, Wisconsin (9/2008).
7. "Health Care Disparities in End-Stage Renal Disease" *2008 Nephrology and Cardio-Renal Summit, Cleveland Clinic*. Cleveland, Ohio (10/2008).
8. "Implications for the New Kidney Transplant Allocation System" *2008 Nephrology and Cardio-Renal Summit, Cleveland Clinic*. Cleveland, Ohio (10/2008).
9. "The Argument for New Kidney Allocation Policy" *Contentious Issues in Organ Transplantation*, Cleveland, Ohio (10/2009).
10. "Report Cards for Healthcare Providers: Are they all that they are supposed to be?" *Contentious Issues in Organ Transplantation*, Cleveland, Ohio (10/2009).
11. "Critical Informed Decision-Making for Candidates of Renal Transplantation" *Central Florida Academy of Nephrology and Transplantation*. Tampa, Florida (12/2009).
12. "Emerging Controversies for Report Cards in Kidney Transplantation" *MetroHealth Medical Center: Health Services Research Seminar*. Cleveland, Ohio (1/2010).
13. "Critical Decision-Making for Renal Transplant Candidates" *International Transplant Nursing Society Meeting*. Cleveland, Ohio (4/2010).
14. "Registry Analysis in Organ Transplantation: Infinite Opportunities with Significant Notes of Caution" *Genzyme Annual Fellows Conference*. Boston, Massachusetts (4/2010).
15. "Critical Informed Decision-Making for Renal Transplant Candidates" *Cleveland CityWide Nephrology Research Seminar. Cleveland Veterans Administration Grand Rounds*. Cleveland, Ohio (6/2010).
16. "The Concept of Surrogacy applied to Renal Graft Function" *International Workshop: Renal Function and Transplantation*. Paris, France (9/2010).
17. "Shared Decision-Making for Renal Transplant Candidates" *OptumHealth Care Solutions Spotlight*. Cleveland, Ohio (10/2010).
18. "Immunosuppression in the Elderly: What are the Risks?" *2010 American Society of Nephrology*. Denver, Colorado (11/2010).
19. "Report Cards in Healthcare: Pros, Cons and the Empirical Evidence" *Johns Hopkins Transplant Center Grand Rounds*. Baltimore, Maryland (1/2011).

20. "Emerging Controversies of Report Cards in Healthcare and Organ Transplantation" *Emory University Transplant Grand Rounds*. Atlanta, Georgia (3/2011).
21. "Report Cards in Organ Transplantation" *Temple University Department of Surgery*. Philadelphia, Pennsylvania (3/2011).
22. "Avoiding Pitfalls: Lessons Learned from Literature" *American Society of Transplantation Clinical Trials Symposium*. Philadelphia, Pennsylvania (4/2011).
23. "Surrogate Endpoints in Organ Transplantation" *American Transplant Conference Early Morning Workshop*. Philadelphia, Pennsylvania (4/2011).
24. "Barriers to Recovery and Placement of High Risk Organs" *American Transplant Congress Sunrise Symposium*. Philadelphia, Pennsylvania (4/2011).
25. "CMS performance evaluations and the impact on donor organ selection and changes in clinical protocols" *Genzyme Advisory Board Meeting*. Chicago, Illinois (6/2011).
26. "Rational Decision-Making of Today's Kidneys: Are your SRTR Outcomes Really at Risk?" Webinar Series (6 sessions: 9/19/2011-9/30/2011).
27. "Increasing the Pool of Deceased Donor Organs for Kidney Transplantation" *Contentious Issues in Organ Transplantation*, Cleveland, Ohio (10/2011).
28. "How to Define Expanded Donor Organ Appropriate Recipients" *2011 Organ Donation Congress*. Buenos Aires, Argentina (11/2011).
29. "Unintended Consequences of Report Cards in Organ Transplantation" *2012 SRTR/UNOS Consensus Conference*. Washington, D.C. (2/2012).
30. "Predicting Patient Survival" *2012 UNOS Transplant Administrators Conference*. Rio Grande, Puerto Rico (4/2012).
31. "Registry Analysis in Organ Transplantation: Unlimited Opportunities with Significant Notes of Caution" *Genzyme/Sanofi Annual Fellows Conference*. Boston, Massachusetts (4/2012).
32. "Measuring Quality of Care of Healthcare Providers" *Joint Biostatistics Symposium*, Ohio State University, Columbus, Ohio (5/2012).
33. "Overcoming Racial and Ethnic Disparities in Organ Allocation" *National Kidney Foundation 2012 Spring Clinical Meeting*. Washington, D.C. (5/2012).
34. "Transplant Outcomes and Center Behavior" *Pre-Meeting Symposium: 2012 American Transplant Congress*. Boston, Massachusetts (6/2012).
35. "Real-time Programmatic Decision-Making" *Pre-Meeting Symposium: 2012 American Transplant Congress*. Boston, Massachusetts (6/2012).
36. "Rational Decision-Making in Transplantation" *Transplant Grand Rounds. PinnacleHealth System*. Harrisburg, Pennsylvania (8/2012).
37. "Evaluating Traditionally Used Surrogate Endpoints in Kidney Transplantation" *Federal Drug Administration Workshop: Endpoints in Clinical Trials of Kidney Transplantation*. Silver Spring, Maryland (9/2012).
38. "Barriers to Transplant Evaluation and Wait Listing" *University of Cincinnati: 2012 Kidney Transplant Update*. Cincinnati, Ohio (10/2012).
39. "Obesity in Chronic Kidney Disease" *University of Cincinnati: 2012 Kidney Transplant Update*. Cincinnati, Ohio (10/2012).
40. "Adapting to the New Era of Quality Oversight in Organ Transplantation and Beyond" *Thomas Jefferson University: Transplant Grand Rounds*. Philadelphia, Pennsylvania (2/2013).

41. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Lutheran Hospital Transplant Research Meeting*. Fort Wayne, Indiana (3/2013).
42. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of Wisconsin Transplant Grand Rounds*. Madison, Wisconsin (3/2013).
43. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Florida Medical Center Transplant Grand Rounds*. Orlando, Florida (4/2013).
44. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Cornell Medical Center Transplant Grand Rounds*. New York, New York (6/2013).
45. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Henneman Hospital / Drexel University Transplant Grand Rounds*. Philadelphia, Pennsylvania (7/2013).
46. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Christiana Hospital Transplant Grand Rounds*. Newark, Delaware (8/2013).
47. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Auxilio Mutuo Hospital Transplant Grand Rounds*. San Juan, Puerto Rico (8/2013).
48. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of Maryland Transplant Grand Rounds*. Baltimore, Maryland (9/2013).
49. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *International Transplant Nurses Society Meeting*. Houston, Texas (10/2013).
50. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Medstar Washington Hospital Heart Transplant Grand Rounds*. Washington, D.C. (10/2013).
51. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Ochsner Medical Center Transplant Grand Rounds*. New Orleans, Louisiana (10/2013).
52. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of Pennsylvania Kidney Transplant Center Grand Rounds*. Philadelphia, Pennsylvania (10/2013).
53. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of Virginia Transplant Center Grand Rounds*. Charlottesville, Virginia (11/2013).
54. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of Texas Transplant Grand Rounds*. San Antonio, Texas (11/2013).
55. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of Florida Transplant Grand Rounds*. Gainesville, Florida (12/2013).
56. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Duke University Transplant Grand Rounds*. Durham, North Carolina (1/2014).
57. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *University of North Carolina at Chapel Hill Transplant Grand Rounds*. Chapel Hill, North Carolina (1/2014).
58. "Delayed Graft Function Does Not Have an Impact" *Cutting Edge of Transplantation 2014 Annual Meeting*. Chandler, Arizona (2/2014).
59. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Lehigh Valley Medical Center Kidney Transplant Grand Rounds*. Allentown, Pennsylvania (2/2014).
60. "Rational Acceptance of Today's Kidneys: Are your SRTR Outcomes Really at Risk" *Montefiore Medical Center Transplant Grand Rounds*. Bronx, New York (4/2014).
61. "Use of Big Data for Research, Decision-Making and Policy in Organ Transplantation". *2014 Sanofi Transplant Fellows Conference*. Boston, Massachusetts (4/2014).

62. "Staying Competitive in a Quality-Based Market: Effective use of SRTR data for your Transplant Program". 2014 UNOS Transplant Management Forum. Baltimore, Maryland (4/2014).
63. "CUSUM and You: How to Incorporate Continuous Outcomes Monitoring into Transplant QAPI". 2014 UNOS Transplant Management Forum. Baltimore, Maryland (4/2014).
64. "Understanding CUSUM and Bayesian Charts: New SRTR Transplant Reporting." American Society of Transplantation Business of Transplantation Webinar (5/2014).
65. "Study Design; Acquiring and Merging Data Sources" World Transplant Congress Pre-Meeting Program. Interpreting Clinical Data: Biostatistics 101. San Francisco, California (7/2014).
66. "Scientific Registry of Transplant Recipients: Point/Counterpoint" American Society of Transplant Surgeons Leadership Development Program. Kellogg School of Management, Northwestern University, Chicago, Illinois (9/2014).
67. "Kidney Transplant and Outcomes Measurement: Using the SRTR to Improve Center Performance" Beth Israel Deaconess Medical Center Transplant Center Grand Rounds, Harvard University, Boston, Massachusetts (10/2014).
68. "Accountable Care in Organ Transplantation" Mayo Clinic Transplant Grand Rounds. Rochester, Minnesota (10/2014).
69. "Accountable Care in Organ Transplantation" MetroHealth Medical Center Medicine Grand Rounds. Cleveland, Ohio (10/2014).
70. "What Have We Learned from Transplant Center Report Cards" American Society of Nephrology 2014 Annual Meeting. Philadelphia, Pennsylvania (11/2014).
71. "Kidney Transplant and Outcomes Measurement: Using the SRTR to Improve Center Performance" University of Wisconsin Transplant Center Grand Rounds, Madison, Wisconsin (3/2015).
72. "Creating the Ideal Performance Evaluation" American Transplant Congress 2015 Annual Meeting. Philadelphia, Pennsylvania (5/2015).
73. "Managing and Analyzing Data" American Transplant Congress 2015 Annual Meeting. Philadelphia, Pennsylvania (5/2015).
74. "Kidney Transplant and Outcomes Measurement: Using the SRTR to Improve Center Performance" Transplant Pharmaceutical Society, Chicago, Illinois (6/2015).
75. "Kidney Transplant and Outcomes Measurement: Using the SRTR to Improve Center Performance" Regional Pharmaceutical Society, St. Louis, Missouri (7/2015).
76. "Kidney Transplant and Outcomes Measurement: Using the SRTR to Improve Center Performance" Rhode Island Hospital Transplant Presentation, Providence, Rhode Island (7/2015).
77. "Accountable Care in Organ Transplantation" Weston Hospital Transplant Grand Rounds, Weston, Florida (9/2015).
78. "Expanding Impact of Quality Oversight in Organ Transplantation" Emerging Controversies in Organ Transplantation Conference, Charleston, South Carolina (9/2015).
79. "Composite Endpoints in Kidney Transplantation" FDA Workshop on Endpoints in Transplantation, Arlington, Virginia (9/2015).
80. "How Predictive are Combined Biomarkers as a Surrogate Endpoint for Long Term Graft Loss" The Transplantation Society Consensus Conference on Immunosuppressive Trials, Arlington, Virginia (9/2015).
81. "What are the Statistical and Other Considerations for Trial Designs" The Transplantation Society Consensus Conference on Immunosuppressive Trials, Arlington, Virginia (9/2015).
82. "Managing Transplant Outcomes: The Use of the SRTR, CUSUM and Bayesian Statistics". The Practice of Transplant Administration Workshop, San Diego, California (10/2015).

83. "Leveraging National Registry Data to Improve Outcomes in Solid Organ Transplantation" 2015 Global Transplant Summit Meeting, Berlin, Germany (10/2015).
84. "Kidney Transplant and Outcomes Measurement: Using the SRTR to Improve Center Performance" Wake Forest Transplant Center Grand Rounds, Winston-Salem, North Carolina (10/2015).
85. "Regulatory Oversight of Transplant Programs – What is the Cost and What are the Consequences?" The Liver Meeting, San Francisco, California (11/2015).
86. "How to Use PSRs to Make Changes and Improve Quality" American Society of Transplant Surgeons Winter Meeting, Miami, Florida (1/2016).
87. "Empirically-Based Approaches to Quality Oversight in Organ Transplantation" Vanderbilt University Hospital Transplant Grand Rounds. Nashville, Tennessee (1/2016).
88. "Access to Kidney Transplantation in an Increased Regulatory Environment" Vanderbilt University Hospital Nephrology Grand Rounds. Nashville, Tennessee (1/2016).
89. "Trial Design with Surrogates – Composite vs. Single Surrogate" 7th Annual CTOT Mechanistic Studies in Transplantation Workshop. National Institute of Allergy and Infectious Diseases, Rockville, Maryland (4/2016).
90. "Quality Oversight in Solid Organ Transplantation" Houston Methodist Transplant Center Grand Rounds. Houston, Texas (4/2016).
91. "Quality Oversight and Behavioral Economics in Solid Organ Transplantation" University of Minnesota Transplant Grand Rounds. Minneapolis, Minnesota (5/2016).
92. "Kidney Transplant and Outcomes Measurement" Porter Adventist Transplant Research Conference, Denver, Colorado (5/2016).
93. "Kidney Transplant and Outcomes Measurement" Evening Research Symposium, Boston, Massachusetts (6/2016).
94. "The Search for Equilibrium with Healthcare Provider Report Cards" Surgery Research Conference, Duke University, Durham, North Carolina (9/2016).
95. "Managing Transplant Outcomes Statistics: The Imperative of Real Time Data" The Practice of Transplant Administration Workshop, San Diego, California (9/2016).
96. "Kidney Transplant and Outcomes Measurement" Transplant Center Research Conference, University of California San Diego, San Diego, California (9/2016).
97. "Current Trends and Challenges in Organ Transplantation" Transplant Center Research Conference, University of Wisconsin Transplant Department. Madison, Wisconsin (9/2016).
98. "Kidney Transplant and Outcomes Measurement" Erie Medical Center Transplant Center Grand Rounds, Buffalo, New York (9/2016).
99. "Current Trends and Challenges in Organ Transplantation" Research Conference, University of Washington Medical Center. Seattle, Washington (10/2016).
100. "Impact of the US System on Transplant Center Practice" 2016 Canadian Society of Transplantation Joint Scientific Meeting, Quebec City, Quebec, Canada (10/2016).
101. "The Search for Equilibrium with Healthcare Provider Report Cards" Transplant Center Grand Rounds, The Ohio State University, Columbus, Ohio (11/2016).
102. "Kidney Transplant and Outcomes Measurement" University of Illinois at Chicago Transplant Research Conference, Chicago, Illinois (11/2016).
103. "Kidney Transplant and Outcomes Measurement" University of Chicago Transplant Research Conference, Chicago, Illinois (12/2016).

104. "The Wall: Barriers to Increased Utilization" *Organ Donation 2.0: Turning Ideas Into Action*. ASTS Annual State of the Art Winter Symposium. Miami, Florida (1/2017).
105. "Surrogates: Why do we need them and why haven't we developed them" 2017 Cutting Edge of Transplantation. Phoenix, Arizona (2/2017).
106. "Current Trends and Challenges in Organ Transplantation" Transplant Grand Rounds, Duke University, Durham, North Carolina (2/2017).
107. "Current Trends and Challenges in Organ Transplantation" Transplant Research Conference, Medical University of South Carolina, Charleston, South Carolina (3/2017).
108. "Utilizing High KDPI Kidneys: Balancing Risk and Benefits for the Transplant Center" 2017 Controversies in Transplantation Conference. Breckenridge, Colorado (3/2017).
109. "Kidney Transplant and Outcomes Measurement" Virginia Commonwealth University Transplant Grand Rounds. Richmond, Virginia (3/2017).
110. "Surfing the Data and Fishing for New Endpoints" Advancing Transplantation: Collaborate, Innovate, Act. Karolinska Institute, Stockholm, Sweden. (3/2017).
