Innovative Early Childhood Education MA
Boulder Journey School Partnership

Application deadline is April 1, 2025

Step 1: Prepare your materials

The School of Education & Human Development accepts all applications online. Please review the information below to prepare for the application process. Your application will include:

- Current resume or curriculum vita
- Two letters of recommendation
- Transcripts: One official transcript from **ALL** post-secondary schools attended in which you earned any college credit, including institutions at which you transferred credits *and* were granted a degree. Unofficial transcripts are acceptable if you are an alumni of a University of Colorado institution (Boulder, Denver, or Colorado Springs). If your institutions allow, it is preferred for students to provide electronic transcripts. This will allow for faster processing of your application.
 - *Transcripts must be sent directly from an institution to CU Denver to be deemed official. Transcripts are deemed unofficial if provided by the applicant.*
- International Student Transcripts: International students will have the following two options for transcript review.
 - CU Denver In-House Evaluation – If choosing this option, you are required to submit complete transcripts from **ALL** post-secondary schools attended in which you earned any college credit, including institutions at which you transferred credits *and* were granted a degree.
 - External Evaluation (ECE or WES course by course only) - **DO NOT** submit transcripts from foreign institutions. You will need to provide an international credential evaluation report from Educational Credential Evaluators (ECE) or World Education Services (WES). You will send your transcripts to the evaluation provider of your choice (ECE or WES) and the provider will send their evaluation report to CU Denver. The cost of the credential evaluation is \$163 to \$208, plus delivery fees. Scholarships are available to cover part of this cost.
 - Find more information about international transcript evaluation [here](#).
- Letter of Intent written statement - As an applicant to the program, you are required to include a letter of intent with a brief introduction, outline of course values and beliefs, your learning goals, your ECE context, and career plans and contributions following completion of the program. The letter of intent should be 2-3 typewritten pages, double-spaced. You will find additional details within the application.
- \$50 application fee for domestic students and \$75 application fee for international students.
- Additional paperwork may be needed for international applicants based on review by the International Admissions team.

Domicile Requirements- Please Read Carefully

Colorado residency requires a domicile in Colorado for 12 continuous months on or prior to the first day of classes of each semester. Both physical presence and evidence of intent (see below) must be in place. A "qualified individual" must reside in Colorado with the intent to make Colorado their primary permanent home and legal residence. The fact that an individual does not qualify for residency in any other state does not guarantee Colorado residency.

<p>Evidence of Intent to make Colorado your permanent home and legal residence is demonstrated by giving up all your legal ties with your prior state and establishing them with Colorado for 12 continuous months. Proof that demonstrates evidence of intent, as specified by the residency statute, may include all the following:</p>	<p>Evidence of legal ties outside of Colorado during the domicile year that demonstrate residency in another state may include the following:</p>
