

MA in STEM Education: Math and Science

For Math and Science, there are 4 required courses (12 credits hours), two courses from the Math core (6 credit hours) and two courses from the Science core (6 credits hours). In consultation and with approval from your faculty advisor, select 5 courses from the Thematic Course Categories to customize your learning (15 credits). Finally, take a research course (3 credits) for a total of 30 credits.
